**TO:** Each General Practitioner in Community Healthcare West.

**From:** Richard Broderick, Primary Care Unit Manager.

**Date:** 4<sup>th</sup> June 2019

**RE:** **Interpretation Services for non-Irish Nationals who are entitled to free GP Services, and who cannot speak English or who have limited English.**

---

I wish to inform you that if Interpretation Services are required in GP Surgeries (on site or by telephone), in respect of non-Irish Nationals who are entitled to free GP Services, and who cannot speak English or who have limited English, that same can be provided by any of the companies listed on the attached sheet.

Claims for re-imburement can be forwarded to this Department by submitting an original receipt from the company, together with the patients Name and GMS Number.

It is recommended that GPs engage the services of a professional company to provide Interpretation Services rather than depending on any other means such as a family member or Google Translate for such services.

Trusting this is to your satisfaction.

Signed:   
Richard Broderick,  
Primary Care Unit Manager.
