

Quick Guide to Online Journals via Publication Finder

EBSCO's Publication Finder is a state-of-the-art service for you to easily locate journals held in the College library and link out to full-text articles.

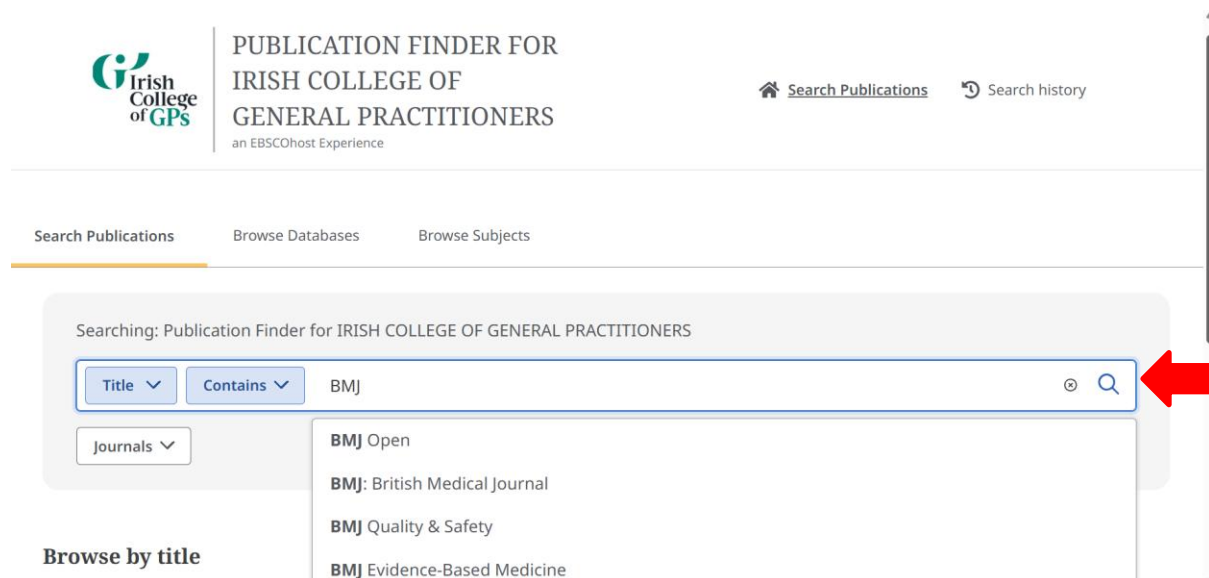

Step 1. Login onto the website <https://www.irishcollegeofgps.ie/> with your email and password. You must be logged in to access the journals as they are **for members only**.

Step 2. You will find the Online Journals in the **Clinical Hub** under Publications and Journals.

Step 3. Under Access Journals via Full Text Finder, click on the link **Online Journals for GPs**

Step 4. You will be brought to the Publication Finder. This is where you can do a search for a journal simply by entering the title in the search box e.g. **BMJ**.

E-mail: library@icgp.ie

Step 5. This brings up your search results and information on where to access the full-text.

Articles archive

Every article published since the *The BMJ*'s first issue in 1840 is now available online. You can browse different print issues. In June 2008 *The BMJ* became a fully online first journal, with all articles published on the website in advance of print. You can browse all articles published online in consecutive seven day periods.

If the journal is not available, the library offers an Inter-Library Loan service. Please email library@icgp.ie if you are having any problems.

PLEASE NOTE: The Publication Finder should only be used to search for journals and does not allow for literature searching across these journals. In order to carry out a literature search either use the **PubMed** database or you can also search within the individual journal websites.

E-mail: library@icgp.ie
